

Project Development Phase

Team members	R. Dilli Rani K N Anirudh S Keerthi Shree M Surya
Team ID	PNT2022TMID09237
Project Name	Project – Visualizing and Predicting Heart Diseases with an Interactive Dashboard

Sprint-2

Profile- To Know the User about Him/Her Information and provide to Generate the Report for his Analysis

The image displays two screenshots of the IBM-Heart Dashboard, specifically the Profile page. The top screenshot shows the profile header with a heart rate graphic and a 'Name' field. The bottom screenshot shows the 'Profile Information' section with fields for Full Name, Mobile, Email, Location, Gender, Age, Blood Group, and Social media links, along with a 'GENERATE AS REPORT' button.
